Interwrite Learning «

The Interwrite Cricket is the newest Interwrite assessment tool. It is a powerful yet simple to use and affordable student response system that can be used in the smallest of classrooms or lecture halls with 2,000 students. It uses robust RF technology with a friendly look and feel. Cricket was designed to simplify assessment for both teacher and students. It provides a PowerPoint plug-in and offers a mode allowing any material that you display on your computer to become a Cricket compatible question. \$1,129-\$1,699. www.interwritelearning.com
